

TRAFFIC IMPACT

As the North American Pro Championship, IRONMAN 70.3 St. George will be one of the most elite snowdowns on the IRONMAN 70.3 circuit and will bring more than \$8-million to the local economy. The race will showcase 2,500 amateur athletes and 80 of the world's top professionals.

In order to protect the participants and thousands of volunteers, there will be partial and full road closures along the race route. We recognize the potential inconvenience this may have on your travel plans and thank you for your help and support as we showcase our area through world-class sports. IRONMAN has become a signature event for our communities bringing positive media exposure and economic impact throughout the year.

If you are interested in volunteering to support the athletes or need more information please visit www.ironman.com/stgeorge70.3, e-mail stgeorge@ironman.com, or call 435-627-4766.
